

§ 159E-4. Systems of registration.

(a) Each issuer, with the approval of the Commission, is authorized to establish and maintain a system of registration with respect to each obligation which it issues. The system may either be (i) a system pursuant to which only certificated registered public obligations are issued, or (ii) a system pursuant to which only uncertificated registered public obligations are issued, or (iii) a system pursuant to which both certificated and uncertificated registered public obligations are issued. The issuer may amend, discontinue and reinstitute any system, from time to time, subject to covenants.

(b) The system shall be established, amended, discontinued, or reinstituted, for the issuer by the official or official body.

(c) The system shall be described in the registered public obligation or in the official actions which provide for original issuance of the registered public obligation, and in subsequent official actions providing for amendments and other matters from time to time. Such description may be by reference to a program of the issuer which is established by the official or official body.

(d) The system shall define the method or methods by which transfer of the public obligations shall be effective with respect to the issuer, and by which payment of principal and any interest shall be made. The system may permit the issuance of registered public obligations in any denomination to represent several registered public obligations of smaller denominations. The system may also provide for the form of any certificated registered public obligation, or of any writing relating to an uncertificated registered public obligation, for identifying numbers or other designations, for a sufficient supply of certificates for subsequent transfers, for record and payment dates, for varying denominations, for communications to holders or owners of obligations, and for accounting, cancelled certificate destruction and other incidental matters. Unless the issuer otherwise provides, the record date for interest payable on the first or fifteenth day of a month shall be the fifteenth day or the last business day of the preceding month, respectively, and for interest payable on other than the first or fifteenth day of a month, shall be the fifteenth calendar day before the interest payment date.

(e) Under a system pursuant to which both certificated and uncertificated registered public obligations are issued, both types of registered public obligations may be regularly issued, or one type may be regularly issued and the other type issued only under described circumstances or to particular described categories of owners.

(f) The system may include covenants of the issuer as to amendments, discontinuances, and reinstitutions of the system and the effect of such on the exemption of interest from the income tax provided for by the Code.

(g) Whenever an issuer shall issue an uncertificated registered public obligation, the system of registration may provide that a true copy of the official actions of the issuer relating to such uncertificated registered public obligation be maintained by the issuer or by the person, if any, maintaining such system on behalf of the issuer, so long as the uncertificated registered public obligation remains outstanding and unpaid. A copy of such official actions, verified to be such by an authorized officer, shall be admissible before any court of record, administrative body or arbitration panel without further authentication.

(h) Nothing in this Chapter shall preclude a conversion from one of the forms of registered public obligations provided for by this Chapter to a form of obligation not provided for by this Chapter if interest on the obligation so converted will continue to be exempt from the income tax provided for by the Code.

(i) The rights provided by other laws with respect to obligations in forms not provided for by this Chapter shall, to the extent not inconsistent with this Chapter, apply with respect to registered public obligations issued in forms authorized by this Chapter. This includes

Subchapter IV of Chapter 159 of the General Statutes and the "State Debt" provisions of Chapter 142 of the General Statutes. (1983, c. 322, s. 1.)
